

International Conference on Neutron Scattering 2017

July 9-13, 2017 | DCC, Daejeon, Korea

Plenary Speakers

Pengcheng Dai

Rice University, USA

Victoria Garcia-Sakai

ISIS, UK

Peter Müller-Buschbaum

Technical University Munich, Germany

Hideo Hosono

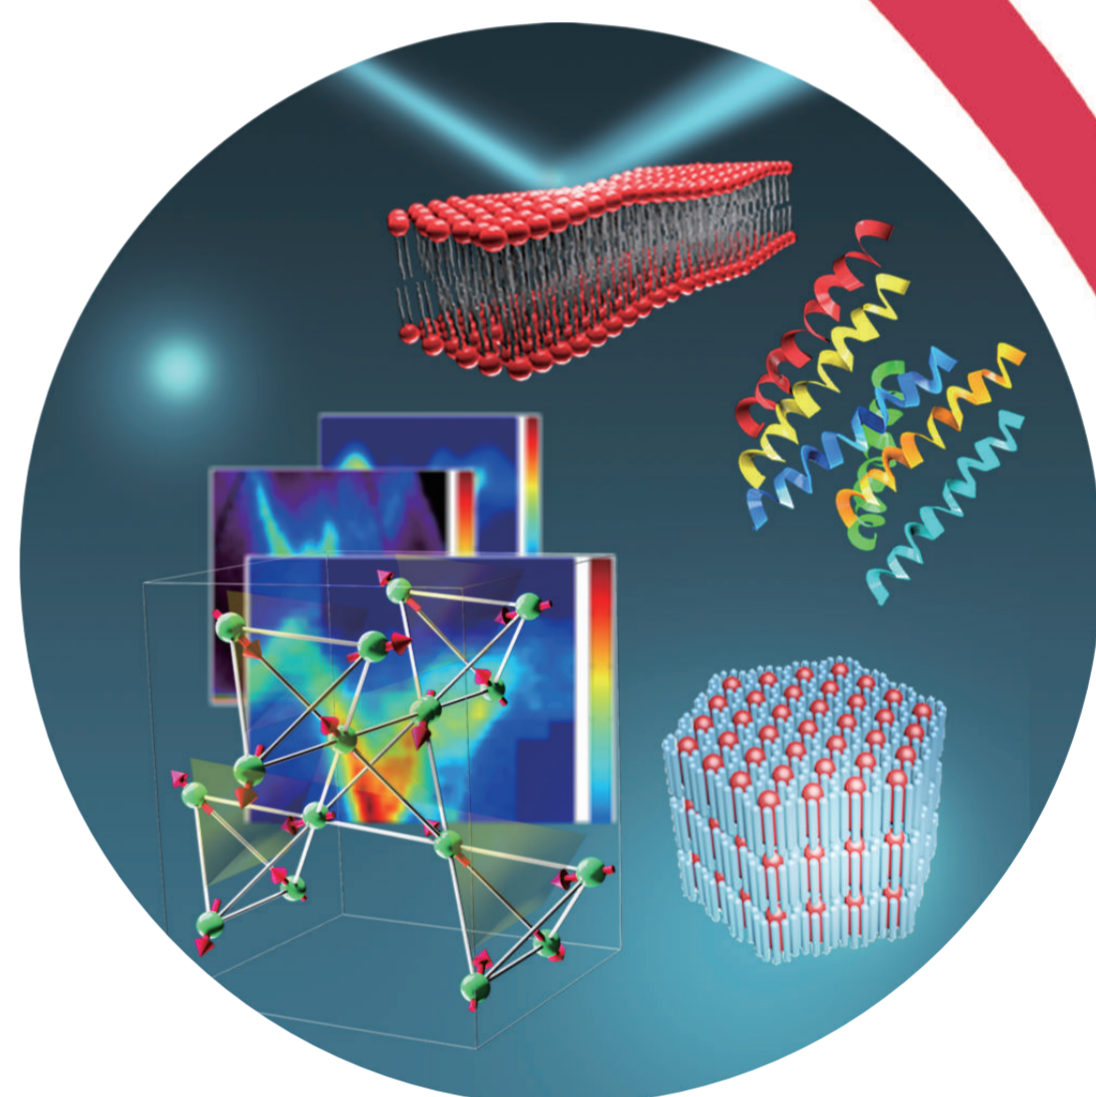

Tokyo Institute of Technology, Japan

Tim Lodge

University of Minnesota, USA

Jean-Marie Tarascon

The College de France, France

Important Dates

Abstract Submission Deadline: ~~Feb. 24, 2017~~ Extended to **March 12, 2017**

Notification of Acceptance: **April. 7, 2017**

Early registration deadline: **May. 19, 2017**

Proceeding Deadline: **Aug. 9, 2017**

Topics

Soft Matter

Biology and Biological Interface

Condensed Matter Physics

Magnetism and Thin Films

Chemistry / Earth Science

Engineering Materials

Energy Materials / Environmental

Imaging / Radiography

Neutron Physics

Industrial Applications

Sources and Instrumentations

Sample Environment and Software

Call for Abstracts

All Perspective participants are invited to submit abstracts on-line at <http://www.icns2017.org>.

Call for Proceedings

ICNS2017 Committee invites all the participants to submit proceeding papers to be published in a special issue of "Physica B" (Elsevier) after peer-reviewing process.
